

PRIESTTHORPE WEEKLY NEWS

ASPIRE BELIEVE ACHIEVE

W/C 14 March 2016

Congratulations to Team Priestthorpe on your 4th place at the swimming gala semi-finals. Good luck for the finals this Saturday.

Meet the Team ... Sara Drury

I have worked at Priestthorpe for 11 years, mainly in Upper Key Stage 2. From September 2015 I have been working as a cover supervisor throughout the whole school, which I thoroughly enjoy.

I have three grown up children, one of which is a signed rockstar!!!

I enjoy walking my beloved dogs, Rolo and Brian, around our fantastic countryside. I am quite arty and love running the art club in school.

Youth Speaks: Rotary Club Event

Phoenix class sent three brave speakers (Ellie, John & George) to this annual event and they did themselves and our school proud, debating on the topic of rationing our junk food intake.

Reading Tip:

Keep reading to and with your children, even once they can read well independently. Who says they're too old for a bedtime story? If they do struggle to read alone and are otherwise ready to do a little more, try reading one page and then reading the next - this can help bridge the gap.

John Hollis went above and beyond in his recent history homework. He created the Ancient City of Baghdad – in cake form!

Philip Clay followed suit but we went to press before the image could be taken.

Thank you to both boys!

“Delicious!” cried The Phoenixes

There is lots going on this weekend AND over the holidays at Bradford's Multi-Media Museum! Take a look at their website!

Our school council recently identified a need for a chess club. To facilitate this we are asking for parent volunteers to come in and help with a club, at a mutually convenient time, and ask if anyone has any old chess sets they can donate. Please see Mrs. Cartman if you can help out in anyway.

Friday, 18 March is Sport Relief. Pay £1 and come dressed in sports wear. There will be organised runs around the playground

Year 1 – Class Assembly

23 March, 9.15 am

Head lice are still a problem in some year groups.

Remember, once a week take a peek. Be vigilant so that we can tackle them together.
