Meet the Team ... Dawn Nutch,

Worker

I have four children aged between 34-14 years and one grandson. My eldest daughter is a Year 1 teacher in a school in Keighley. I have a puppy and a kitten, which take up a lot of my free time. I love to walk my dog and am very lucky to have many local walks on my door step.

I also enjoy being creative through painting, sewing and whittling wood! I'm very passionate about supporting people to develop their creative side and as time goes on you will be offered the opportunity to join in some of the events and activities I have planned. However, at present there is the opportunity to call into the crafty coffee drop-in on Thursday's 8.50-10am—everyone welcome!

Year 5 enjoyed a trip to Salts Mill on Tuesday 26th April. They are currently looking at both history in the local area and I-pad art by David Hockney. The visit to Salts Mill allowed them to experience both these topics. The children were engaged during the trip and particularly seemed to enjoy the I-pad art exhibition.

There are still places in Y3-6 cricket/rounders club.

£10 for the 4 remaining sessions.

Tuesday 3.05 - 4.00 pm.

Please see the school office in the first instance.

Assemblies: Outside Achievements

If your child has achieved something they wish to celebrate with their peers, eg a swimming certificate, could you please send the items into class on Thursdays for our school assembly.

Head lice are still a problem in some year groups. Remember, once a week take a peek. Be vigilant so that we can tackle them together.
