E-safeguarding - How to keep your children safe on the internet by P.C.S.O. Luke Carson

More details to follow nearer the time.

Head lice are still a problem in some year groups. Remember, once a week take a peek. Be vigilant so that we can tackle them together.

We are delighted to announce the release of the new e-Schools mobile app, which is available to download FREE from the Apple App store and the Google Play store.

Simply search for 'eSchools' to find the app. Previously the app was only available to parents, but now any eSchools user (teachers, students, office staff, HT, governors etc.) can download and login!

Here's a quick summary of the features available:

- Communicate on the go via messages
- Broadcast school news and other information via Letters Home and Notifications
- Keep track of current homework tasks*
- Monitor attendance*

**Pupils and parents only*

Any parents who already have the eSchools mobile app will be able to update the existing app when viewing the Google Play store or Apple App store on their phone.
