W-SCHOOL KEEP CLEAR-W

For the health and safety of our children, can we please ask that you do not park on the double yellow lines outside school.

Foundation Stage would like any old stainless steel pans, small stainless steel teapots and jugs and any used but in good condition comics that are suitable for 3-5 year olds to put in our reading area!!

Number Day

Friday, 5 February is ...

National Numbers Day

We hope to have lots of exciting maths work going on in classrooms and want children to come to school wearing something number orientated - e.g. a football shirt. It is an event run through the NSPCC and we would like donations on the day to support this important charity.

Sainsbury's Active Kids 2016

We will be collecting Sainsbury's Active Kids Vouchers between 27 January and 3 May 2016 for sports and cooking equipment.

Head lice are still a problem in some year groups.

Remember, once a week take a peek. Be vigilant so that we can tackle them together.

Reading Tips: Be positive!

If your child says something nearly right to start with that is fine. Don't say 'No. That's wrong,' but, 'Let's read it together' and point to the words as you say them. Boost your child's confidence with constant praise for even the smallest achievement.
