Meet the Team ...
Neil Carr, Year 5

Prior to this year at Priestthorpe I spent last year teacher training in North Yorkshire.

Prior to this I worked as a learning/behaviour mentor for 8 years. I worked as a swimming instructor/co-ordinator, lifeguard and fitness instructor for over 15 years before realising that it was teaching children to swim that I truly enjoyed, hence my move into education.

I have a number of passions in my life. I eat and breath sport, in particular football (I'm a disgruntled Leeds fan) and American sports. I also enjoy nothing more than being in the Lake District with my wife and two young children, walking on the hills. It is here that I get to fulfil my slightly geeky passion for bird and nature watching.

YEAR 6 SATS

A reminder to parents that we are running a free breakfast club for Year 6 children from Monday to Thursday next week. It begins at 8.00am each morning. Toast and juice will be served and we will ensure all children are stress free and ready for their assessments.

Please try to ensure they get plenty of rest during the next few days and on the evening prior to each of the tests.

Many thanks for your ongoing support.

Many thanks for all the art materials you donated to Phoenix class.

Head lice are still a problem in some year groups. Remember, once a week take a peek. Be vigilant so that we can tackle them together.
